Message from

Chief Executive Officer

The establishment of The Unique Schools Pakistan, is a continuous effort and expression of my passion for quality education. I strongly believe that its curriculum and co-curriculum programs will contribute a positive change in rearing an attitude among students to remain responsive and creative to their educational needs. I am vigilant to make unique schools a quality brand, delivering high level of professionalism and market driven needs. I wish better future to all our students and stakeholders

Syed Babar Rehan
Chairman UIES

Message from

Chief Executive Officer

Education is the only way to return to your country what it has blessed you and your generations. The dire need of the time is to work on quality education and develop our people for the current & future challenges and refine them as the most civilized individuals. I believe Unique Schools will contribute quality education at minimum cost to all segments of Pakistan without any disparity.

Ibrar Khan Niazi
CEO UIES

Message from

Project Director

It was my long obsessions to develop a school system that must meet students' physical, mental and spiritual strength and make them the most productive and responsible citizens of Pakistan. I am thankful to the Chairman & CEO of the group to deliver my passion as Unique Schools & Academies under the umbrella of Unique International Educational Services (UIES). The core purpose of this collaborative project is to create a network of standardized quality with a social responsibility. Further, we will ensure quality at the most economical cost so, all segments of our society shall benefit from our schools. I wish to deliver all my learnt experience as per parents' dreams which is our prime responsibility.

Prof. Iftikhar Ahmad Shiekh
Project Director UIES

Philosophy of UIES Schools & Colleges

The UIES' Schools & Colleges, is a blend of local and international education designed to facilitate students with the latest standards of global education. To ensure quality education the group focuses on:

- Learners who are healthy, well-nourished and ready to participate and learn;
- Environment that is healthy, safe, protective and provide adequate resources and facilities;
- Content that is reflected in relevant curriculum and materials for the acquisition of basic skills for life, and knowledge in such areas as gender, health, nutrition, and peace;
- Processes through which trained teachers use child oriented teaching approach in well-managed classrooms and skilful assessment to facilite learning and reduced disparities.
- Outcomes that encompass knowledge, skills and attitudes, and are linked to national goals for education and positive participation in society.

OUR FOCUS

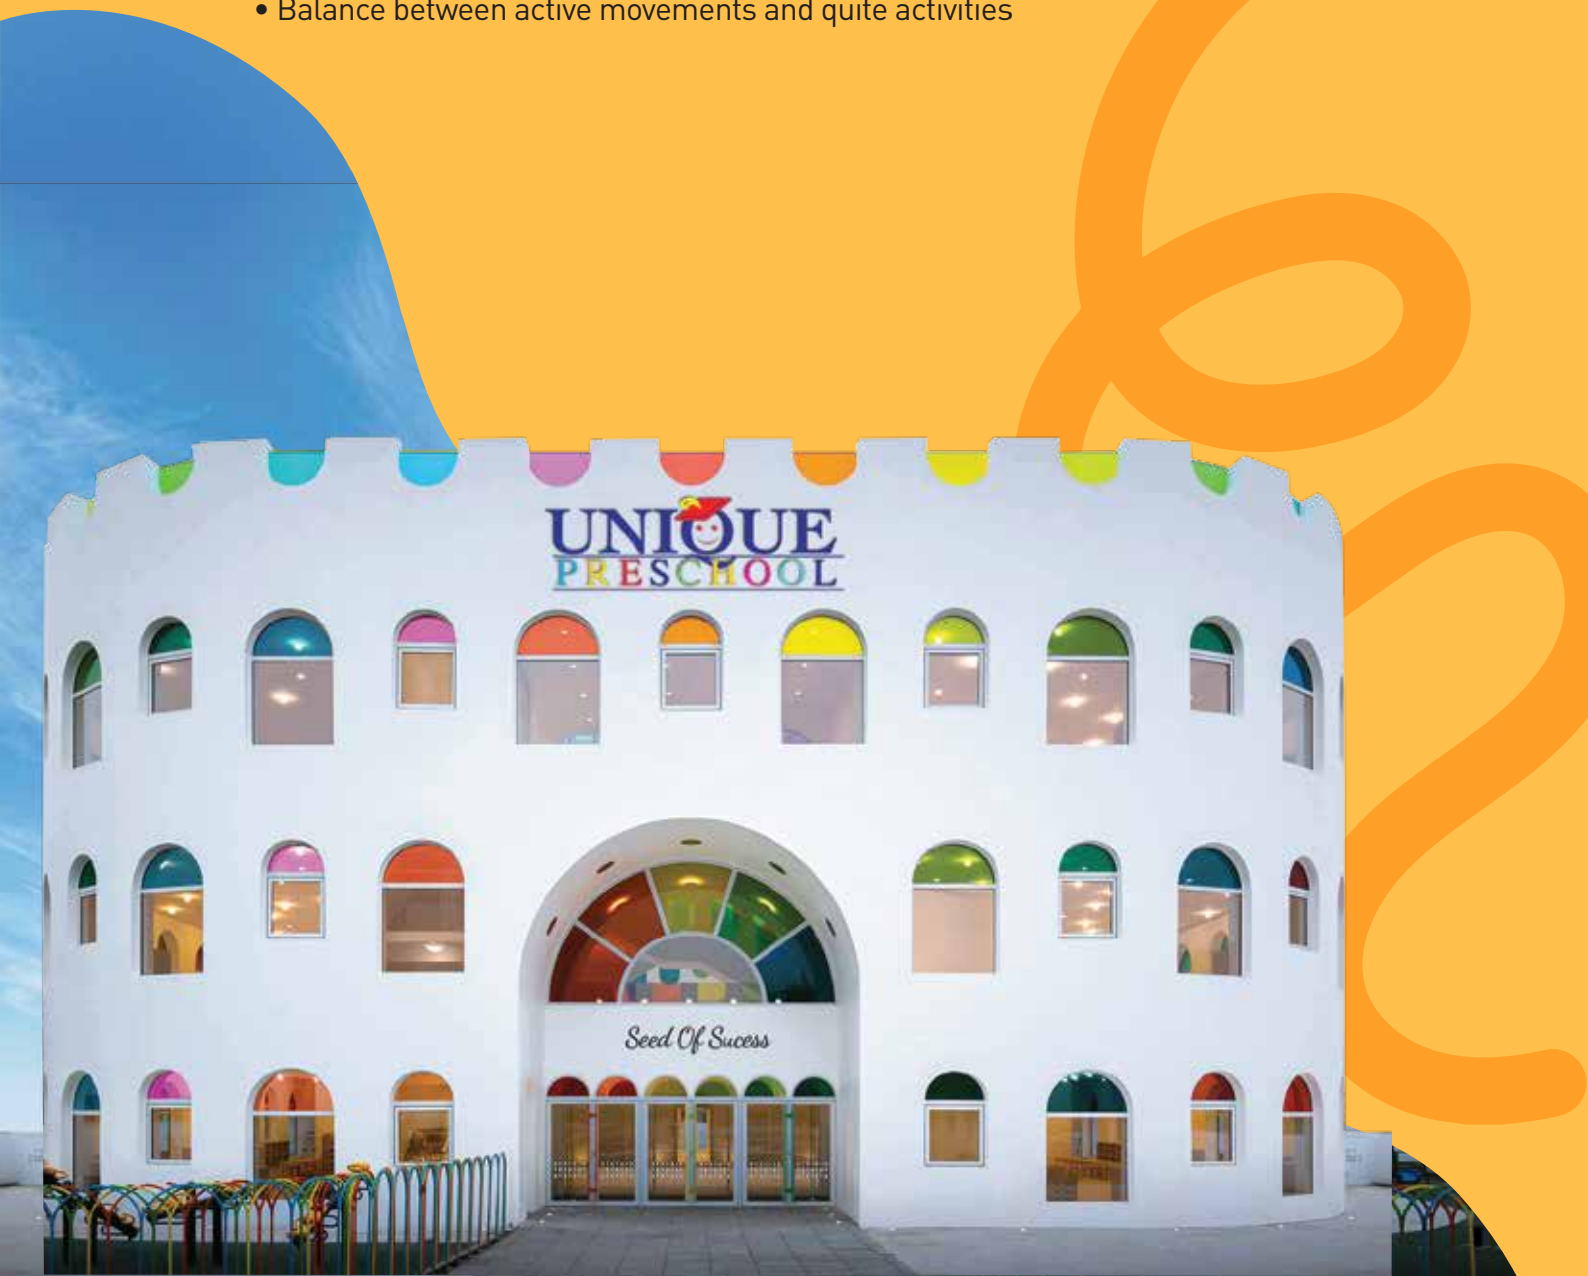
- Learners' Care
- Market driven pedagogical facilitation
- I.T. Based Environment for interactive learning
- Purpose build chapters
- Personality development programs
- Sports (physical & mental involvement)
- Qualified, trained & developed staff
- Internationally centralized curriculum
- Language enhancement activities & programs
- Character building on Islamic morals.

UNIQUE PRESCHOOL
seeds of success

UNIQUE PRIMARY & MIDDLE SCHOOLS

Our Pre-School features focus on what's critical to the child, family, teacher, curriculum, and classroom, so we ensure that students must experience:

- Active & effective exploration of the environment
- Self-directed hand-on learning practices
- Balance between group and individuals activities
- Regular and supportive interaction with teachers and peers
- Balance between active movements and quite activities



UNIQUE PRIMARY & MIDDLE SCHOOLS

Our Primary School's objective is to focus on developing students by negating their background for their under- achievement. We believe in steady development through care and socially built interaction of students and teachers. Our Primary Schools deliver the following for quality education.

- They provide affections, stability, a purposeful and structured experience:
- They build and often rebuild children's self-belief;
- They teach children the things they really need to know & show them how to learn for themselves and with others;
- They listen to their pupils, value their views and reflect & act on what they say
- They build bridges with parents, families and communities, working in partnership with other professionals.
- They ensure their Pupils progress as fast as possible and achieve as much as possible and in order to put the child at the centre of everything they do.

UNIQUE HIGH SCHOOL

CLASS IX TO CLASS X

All previous learnt experience is consolidated by focusing on the required attitude as per prescribed national curriculum. "Student - teacher" interaction is ensured in all school's activities which are developed on morals and social skills. More focus is given to their studies, so they may perform well in Board exams (BISE) and secure good marks for their eligibility to the intermediate admissions.
